PASADENA PTA COMMITTEE SIGN-UPS

Pasadena Elementary School needs you! While we have had many successful years, we look forward to the opportunity to provide many exciting programs to the students and their families. To ensure the success of these programs the PTA is asking for volunteers to help on various committees for the 2008-09 school year. Please review the job descriptions. **Please indicate your interest in committee membership by checking the boxes next to the committee.** *If you are interested in chairing a committee, please indicate your top choices at the bottom of the page.* If you have any questions, please don't hesitate to contact me!!!
